

# Dublin Metropolitan Regatta

Blessington, Wicklow  
28<sup>th</sup> May 2022

## Remarks

*One day Event held in Blessington. As Dublin Met is a Grand league regatta points are awarded or deducted based on wins and losses. Clear skies with a slight crosswind developing later on in the day made for a great day of racing for the club. We won every event we entered bar the Novice eight which came second. A fun day of competition in the lead up to London met Regatta which took place the next week*
