

London Metropolitan Regatta

Dorney Lake, Buckinghamshire, England

3-4th June 2023

Remarks

Two-day regatta held on an eight-lane course in Eden-Dorney, England, the course that the 2012 Olympic Games were held on. Large entry on both Saturday and Sunday, allowing ample competition against international crews for both the Senior and Novice squads. Sunny skies, temperatures up to 22°C, and a cross-headwind which strengthened as the day went on. Crews were entered as; Championship (*Senior*), Club (*Intermediate*) or Academic (Club), with all crews racing a time trial, seeding them into subsequent finals based entirely on their times over 1900m (Saturday) and 1500m (Sunday), rather than the category the crew is entered under, this encouraged competitive racing and lead to great results over the weekend.
