

University Championships

Lough Rynn, Mohill, Co. Leitrim

8th April 2023

Remarks

Tough conditions across the entire course, a strong cross-tail wind in the morning developed into a straight-tail by the lunchtime break, combined with waves and choppy water in the middle of the course. The already strong wind deteriorated more as the day went on, leading to the cancellation of all events after the lunch break, with exception of the Club 4+. Despite this, there were strong results from the crews that did race, with especially tight racing in the Inter 8+ and Club 4+ races.
