

Cork Regatta

National Rowing Centre, Co Cork
22nd June 2024

Remarks

Two-day regatta held on a six lane course at the National Rowing Centre. Sunny skies with cross-tailwind on the course meant good racing experience for the champs. Cork Regatta is a Grand League event: crews are entered into Division 1 (Senior, Inter & Club 1) or Division 2 (Club 2, Novice & Junior). Crews then race in heats, and are then seeded into the relative Final based on the Heat result. Only 2 finals were run in each division, with further results coming from heats results. The winner of each category is awarded Rowing Ireland Points upon victory.
