

Irish Rowing Championships

National Rowing Centre, Co Cork

12th-14th July 2024

Remarks

Temperatures were warm with a mild crosswind providing the characteristically choppy conditions in the last 500m the NRC is known for. As the Grand League championship, races were run in a Heat/Final format across six lanes. If entries exceeded three heats, time trials were run with the top 6 crews across all heats progressing. If entries were six or fewer, straight finals were run. As 2023 was the second successive year with two entries in the Novice 8+ category, the championship committee hosted Novice 8+s in an invitational, non-championship capacity.

Crews

Senior 1x

M. Quigley (LEBC)

DNS

Inter IV

J. O'Brien, C. Feely, R. McAuley, A. Lorencs, B. Reid

DNS

Inter II (coxless)
