

Newry Head

Newry Rowing Club, Northern Ireland

1st February 2025

Remarks

Windy and cloudy conditions resulted in a split race format with crews in Heat 1 racing a 3k course, and crews in Heat 2 completing the 5k course. Despite the conditions, the water remained relatively calm with a strong tailwind. DUBC entered crews across the Club and Senior category. The DUBC Novices, racing as Club and Senior crews, secured the Fastest Men's Crew title for Heat 2 in the Men's Club 1 8+. They also claimed victory in the Men's Club 4x+. The DUBC Seniors delivered strong performances winning the Men's Senior 4+ and Men's Senior 1x.
